DATE 11 Mar 1974

SUBJECT

Polish Army Mobilization Periods and Executors

SOURCE Documentary.

Summary

Following is a translation of a SECRET OF SPECIAL IMPORTANCE Polish Ministry of National Defense document on mobilization which was published in Warsaw in 1973. It lists units by subordination, type, location and true unit designation and states when and by whom they are to be mobilized.

End of Summary

 Comment

No explanation accompanied this list. Presumably the "M" under the "Readiness Period" heading stands for "Mobilization", the "N" may stand for "Readiness", and "Constant" has been employed as the probable translation of the Polish letters "SA".
